Pricing

The first member enrollment is a low fee of only \$349 per year. Even if you only come to us twice a year, you'll immediately be saving money!

Each additional family member can be enrolled for an even lower fee of \$299 per year.

Immediately upon enrollment, 100% of your preventative care will be covered. This includes all necessary x-rays, exams, and 2 routine dental cleanings per year.

Any additional treatment that is needed will be automatically discounted by 15%!

In-house and third party payment plans are still available for most treatment.

Benefits

- No maximums or deductibles
- Runs for 1 year from enrollment date
- No obligations to sign up for another year
- Immediate savings
- No waiting period
- No missing tooth clause
- No monthly premiums or hidden fees
- Option to automatically renew
- 2 Cleanings per year (routine or perio-maintenance)
- All x-rays and exams included
- A 15% savings on ALL dental procedures
- Valid at both Churchton and North Beach Dental Care

No Insurance? No Problem
Let Our Dental Savers Plan
Save You Money!

We offer a Dental Savings Plan right here in our practice for both new and existing patients.

We understand that traditional dental insurance premiums are expensive, and that insurance benefits are extremely limited on most plans.

The good news is that as a member of our in-office savings plan, all of your preventative care is 100% covered in our office- and you'll receive large discounts on restorative care such as, fillings, crowns, and even cosmetic dentistry!

All of this is offered to you in addition to our other pay-in-full discounts or budget-friendly payment options.

This membership program is available for all patients without insurance and those without PPO- based insurance plans.

**Please ask our staff if you would like more information or wish to enroll!
